The Productive Ward Program

RELEASING TIME TO CARE
Developed by the NHS Institute for Innovation & Improvement, the Productive Ward Program is designed for self-directed learning using clear step-by-step instructions across individual modules. Your team will work through the steps together, guided by milestone checklists.

**Program Licence Fee**

There is a one-off Licence Fee which is calculated on the number of beds in your hospital.

The price starts at $A45.00 per bed plus GST. This price is negotiable depending on the number of beds in your hospital - contact us to discuss details.

**Program Toolkit Box**

With your purchase of the program licence, you will receive 1 Program Toolkit Box containing all of the material needed to implement the modules. Also included in the Toolkit are Leader Guides to explain how to get your team ready for the Program. These are written specifically to guide the Ward Leader, Project Leader and Executive Leader.

If required, additional toolkit boxes may be purchased from Qualitas for $500 +GST plus postage.

**Implementation Packages**

It's best to discuss your needs with us before making your final decision.
