The Productive Operating Theatre Program

BUILDING TEAMS FOR SAFER CARE
Program Licence Fee
There is a one-off Licence Fee which is calculated on the number of theatres in your hospital. The price starts at $2850 plus GST per theatre - contact us to discuss the numbers of theatres in your hospital.

Program Toolkit Box
With your purchase of the program licence, you will receive 1 Program Toolkit Box containing all of the material needed to implement the modules.

If required, additional toolkit boxes may be purchased from Qualitas for $475 +GST plus postage.

Implementation Packages
It's best to discuss your needs with us before making your final decision.

STARTER PACKAGE
($37,500 +GST)
- One hour Executive Briefing Webcast
- Module Implementation Training (3 days for up to 20 people*)
- A complete set of training materials
- One day onsite Workshop to showcase progress (after 6 months)

SUPPORT PACKAGE
($42,000 +GST)
- One hour Executive Briefing Webcast
- Module Implementation Training (3 days for up to 20 people*)
- A complete set of training materials
- 11 x one hour Monthly Webcast Clinics with a facilitator for problem solving and advice
- Weekly telephone and email advice for first 12 weeks
- One day onsite Workshop to showcase progress (after 6 months)

* Additional training places may be purchased for $300 per person (up to 30). Please contact us if you require more than 30 people to attend the Program.

Further Assistance Packages
Although the Program is designed as a simple step-by-step process, you may benefit from some additional assistance:

PROJECT MANAGEMENT & CHANGE MANAGEMENT TRAINING ($5,000 +GST)
Prepare your team with 2 consecutive days of training before Module Implementation Training. Delivered by one of the experienced Qualitas team.

PROJECT SUPPORT
(from $2,500 +GST per day)
You may engage one of our experienced support people to work with you onsite as required.

Please contact us if you have any questions regarding the Program or our training and support programs.

The Productive Operating Theatre Program

Developed by the NHS Institute for Innovation & Improvement, the Productive Operating Theatre is designed for self-directed learning using clear step-by-step instructions across individual modules. Your team will work through the steps together, guided by milestone checklists.

Qualitas is a multi-disciplinary group of experienced healthcare professionals committed to quality, safety and productivity in healthcare.

Using evidence-based programs developed by the NHS Institute for Innovation & Improvement, Qualitas works with your organisation to improve patient safety and reliability of care, improve staff well-being, increase the proportion of time spent on direct patient care and increase patient satisfaction.
